

Siteomite.com Unveils InstantQuote 3 Sales and Quote System

LAS VEGAS—February, 18, 2009—Siteomite.com today unveiled the InstantQuote3 lead generation system at the Mobile Beat 2009 disc jockey conference. The InstantQuote system is a state-of-the-art web based platform that allows service based businesses (e.g. disc jockeys, videographers, photographers, etc.) to generate dynamic, detailed pricing and availability information directly on their existing websites. With the InstantQuote system, businesses can easily increase sales by providing potential customers with instant, accurate information delivered directly to their email inbox.

Although available to the general public for the first time today, the InstantQuote system has been under development for more than seven years. The system offers an unparalleled feature set including a dynamic, multi-stage quote interface, personalized e-mail quote delivery, and detailed prospect information capture in an easy-to-use interface. Full product information is available at <http://www.siteomite.com/InstantQuote/overview.html>. Video setup tutorials are available at <http://www.siteomite.com/support/videos.html>.

Pricing and Availability

The Siteomite.com InstantQuote system is available immediately with a 30 day unlimited-use free trial. The InstantQuote system is subscription based and available for \$10 per month or \$100 per year with no long-term obligation.

The Siteomite.com InstantQuote system is based on web standards and works with any modern web-browser. The system can be deployed on any website that has a unique domain name.

Siteomite.com provides industry leading website tools and technology to service based businesses. Siteomite.com is dedicated to providing its subscribers with solutions that are easy to implement and provide tangible results in top-line sales.
